## The Smile that Went Around the World

**PATRICE KARST**

Illustrated by JANA CHRISTY

What if you discovered one day you did something that helped millions of people all over the world and changed their lives? Something so simple that it was recognized and understood by everyone in every country everywhere . . . and all it took was a kind gesture to get it started. Too good to be true? Then it's time for you to meet **The Smile That Went Around the World**.

What starts out as a simple gift, soon turns into a chain-reaction of smiles and kindness in this heart-warming story about a smile . . . that went around the world. Each smile sparks another, and then another and another and another until one day, the young boy who first sent the smile on its way finds himself feeling sad. Before he knows it, that same special smile appears out of nowhere . . . just when "he" needs it most.

**"How can you be in love with a book? Easy – when it has the enduring impact on a child that Patrice Karst's books do. She's got the magic touch. Such simple, beautiful, books – such profound effects. Every home should have them."** – SANDIE SEDGBEER, *Inspired Parenting Magazine*
